

Am I Hydrated? Urine Color Chart

1		<p>This urine color chart is a simple tool you can use to assess if you are drinking enough fluids throughout day to stay hydrated.</p> <p>If your urine matches the colors numbered 1, 2, or 3 you are hydrated.</p>
2		
3		
4		<p>If your urine matches the colors numbered 4 through 8 you are dehydrated and need to drink for more fluid.</p> <p>Be Aware! If you are taking single vitamin supplements or a multivitamin supplement, some of the vitamins in the supplements can change the color of your urine for a few hours, making it bright yellow or discolored.</p>
