Jeff has the plane tickets and the Condo's are being held on his credit card. (we will need to pay with a cashier's check or money order closer to departure) 3 Mini vans are currently being held and the cost per swimmer (on the high end) is approximately \$750 and the Chaperones will

pay their own flight and the team/swimmer will pay for the chaperones accommodation.

- D. **Summer Dues:** Summer swim session officially begins on the 18<sup>th</sup> of May. Susan McDonald proposed to keep our swimmer rates the same as last year for all new swimmers joining the team.

Category 1 4:00 – 4:45 \$200

Category 2 4:00 – 5:15 \$225

Category 3 5:15- 7:30 \$275

- E. **Fall Dues:** It was discussed to send out invoices for next season at the beginning of August. This would help Jeff determine his team size and have swimmers placed in the appropriate categories right when they start the season. The new season begins on the 14<sup>th</sup> of September. We will continue to have a table at the poolside for registration the first week for any “new” swimmer wanting to join the team.

- F. **Coach’s incentives:** Susan McDonald discussed the various coach’s incentives for swimmers making specific time cuts making them eligible for specific meets. All-Stars: Jeff has been paid his bonus for each swimmer who attended All-stars. Sectionals: Coach Jeff received \$500 (one-time bonus per swimmer) for Craig Fowler. (Already paid the one time bonus for Lexie last year) Zone meet: Bonus giver for every age group. (not known at this time who will participate in Zones) Coach Jeff discussed that making a zone cut and actually being selected to be a part of the zone team are very different. It is not a given that if a zone cut is made that the swimmer will be going to the meet. Team growth/membership growth: We now have an additional 29 new swimmers above our 55 swimmers from last year. Susan McDonald moved to pay Coach Jeff a membership bonus for team growth; \$50 per swimmer. Total of \$1450.00. Coach Jeff mentioned that in June our new baseline team should be raised to 80 swimmers versus 55 and give the bonus accordingly.

6. **Kids against Breast Cancer:** Swimmers will be notified by a flier in their files regarding this event. It is not a fund-raiser associated with the swim team but any swimmer may participate. Kathy Lahr will talk to Susan Kramer regarding posting this on the website. It was also discussed that all service projects/charities/organizations that want to use the swim team needs to have board approval and go through the head coach.

7. **Team Social/end of the season party:** Tobia Zehnder and Jackie Holland will organize this event. It will take place on Sunday April 19 from 2-5 pm at Bruinswick “cosmic” bowl. Swimmers will be paid and siblings and parents pay their own way. There will be a short awards presentation, parent question/answer session as well as cake and drinks. Jackie to order the following
