

CHARITY SPLASH DRIVE

TOPS Spring Open April 29-30

Missy Franklin would love your help!

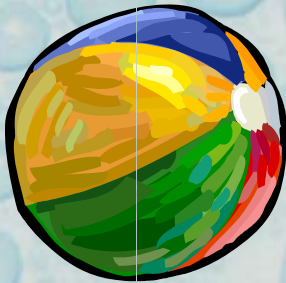

Missy is the official Spokesperson for the Excelsior Youth Center in Aurora. This Center is a residential treatment program created in 1973, serving girls ages 11-18 with emotional and behavior difficulties. They are committed to the treatment and education of these girls so they can successfully return to their families and their communities. 180 very special girls, from all over the country, live at the center, right here in the Denver area. For most, this is their 12th placement and last chance. Excelsior has an 81% success rate.

The girls have a Recreation Center on campus with a 25 yd outdoor pool. Some of the girls can't swim yet. Others would love to learn their strokes and start a swim team!! It would be great if we swimmers could help them get ready for their summer with donations of swimming equipment. Anything Helps!

A Large Container will be on deck

Items Needed:

Swim Suits
Goggles
Fins
Caps
Nose Plugs
Flip Flops
Noodles
Kick Boards
Beach Balls
Dive Rings
Cash donations

Excelsior is looking for Lifeguards this summer. Special training will be required and provided
