

**GET TEXT MESSAGES FROM COACH JEFF!  
SIGN UP NOW FOR RAINEDOUT.COM**

We will be using a service called "rainedout.com" to communicate with team members in case of last minute changes or cancellations. If the rec center closes because of inclement weather, or the pool is closed because the heater isn't working, Coach Jeff will be able to send a text message to your cell phone, or email you. You need to go online to register for the service; it takes about two minutes to complete the process.

To sign up for rained out notifications:

- Go to RAINEDOUT.COM, and you will see a box labeled "To start receiving alerts, search for your organization".
- Type in "Evergreen Hurricanes" and click "Search"
- It will pull up Evergreen Hurricanes under "Preferred Results"
- Click on "Evergreen Hurricanes", and it will take you to the sign up page.
- When you enter your cell phone number, it will send you a validation code.
- Enter the validation code, and you are all set!

You can also enter an email address if you want the alerts to come to your email account as well as to your cell phone. **You will not be flooded with text messages; the idea is to use this only in the case of last minute changes,** so that you are not driving your swimmer to practice when the rec center/pool is closed. **Coach Jeff will continue to post updates regularly on the Coaches' Blog, which should be your primary source of information about team matters.**
